

WOULD DANCE, BOWL AND PLAY BILLIARDS IN NEW PARISH HOUSE

Flatbush Congregationalists
Vote for Attractions for
Young Men.

Billiards, pool, dancing and bowling have been added to the list of coming attractions at the Flatbush Congregational Church, Brooklyn. This decision was reached at a meeting of 200 parishioners Monday night. The trustees have yet to pass on it. They are expected to act favorably. Then the project will become operative as soon as an extension to the parish house can be built, for which Monday's meeting voted to raise \$10,000.

Pastor Lewis T. Reed is the prime mover in these innovations. He gave no notice of his intention to spring so worldly a plan but he had previously worked up a progressive feeling among his flock by continually urging them to draw the young to the church and hold them there. When he brought forward his specifications at the meeting he had a sympathetic audience. Warnings by conservative members strengthened the pastor's support.

When he had won over the meeting Pastor Reed made other suggestions which were promptly approved. He proposed that the men at the meeting divide themselves into committees of five to solicit other men to come into the church with their families. The aim of these committees, he said, should be to increase the male membership by 100 before Easter. Twenty committees were at once organized. At Mr. Reed's insistence also the Men's Club decided to arrange for open debates at their meetings.

Strains From Near John D. T.
It is reported that Oscar S. Straus, Progressive candidate for Governor, has purchased the Horton farm on the Bedford road, near Tarrytown, and will become a neighbor of John D.

Rockefeller. The purchase price is said to be \$50,000. Mr. Straus who has lived at Tarrytown for several summers, intends it is said, to build a fine residence on the farm.

BLUE AND DISCOURAGED

Mrs. Hamilton Tells How She Finally Found Health in Lydia E. Pinkham's Vegetable Compound.

Warren, Ind.—"I was bothered terribly with female weakness. I had pains and was not regular. My head ached all the time, I had bearing down pains and my back hurt me the biggest part of the time. I was dizzy and had weak feelings when I would stoop over, it hurt me to walk any distance and I felt blue and discouraged.

"I began taking Lydia E. Pinkham's Vegetable Compound and am now in good health. It had not been long that medicine I would have been in my grave a long time ago."—Mrs. Arlie E. Hamilton, R. F. D. No. 8, Warren, Ind.

Another Case.
Esmond, R. I.—"I write to tell you how much good your medicine has done me and to let other women know that there is help for them. I suffered with bearing down pains, headache, was irregular and felt blue and depressed all the time. I took Lydia E. Pinkham's Vegetable Compound and commenced to gain in a short time and I am a well woman today. I am on my feet from early morning until late at night running a boarding house and do all my own work. I hope that many suffering women will try your medicine. It makes happier wives and mothers."—Mrs. Anna Hansen, Esmond, Rhode Island.

No matter whether you are not now in need of an overcoat—no matter how complete your wardrobe may be—you should visit one of the Hackett-Carhart stores to-day.

Here are being offered over 3,000 overcoats at prices past belief. It would pay a man to get one of these coats if he were not to wear it for two years to come. For every garment will be "good style" even then, and will be matchless at anywhere near to-day's price.

And you can prove this to be a positive fact. Briefly, here's what you may choose among at either of the four Hackett-Carhart Stores to-day:

Dressy Chesterfields in various lengths, and in all suitable fabrics. In Blacks, Blues, Oxfords, Cambridges, and Browns. Lined with Silk, Satin, Worsted and Serge. Shawl Collar, Convertible Collar, English Ulster, and Motor Coats. In Chinchillas, Shetlands, Vicunas, and plaid-back Tweeds and Shetlands. Designed for street and storm service.

Practical and extremely popular medium-weight year-round coats. Medium length, English split sleeve, English Guard and Raglans. Quarter lined with satin and tailored from fabrics that are ideal for mild winter days, and Spring and Summer Motor, Travel and Country wear.

Slip-on coats in English, Scotch and Irish effect fabrics, as well as Chinchillas, Vicunas and Shetlands.

Also a long line of overcoats for general all-round service, and for semi-dress occasions. Serviceable English-finish Velours, smart Worsteds, and Worsted Cheviots in Chesterfield Single and Double-Breasted convertible models.

Remember that this is an opportunity of to-day—and one that won't last long. You will pay the penalty of delay in actual, cold hard dollars and cents.
